Re: Transfusion Consent Form Now Available in Spanish Language

A Spanish language version of the Consent to Transfusion Form (Form #579910, updated 11/18) is now available to order.

Please consider offering this form for patients whose primary or preferred language is Spanish. The English language form will continue to include the option for documenting the use of interpreter services, when needed.

For questions or concerns, please contact Jonathan Esensten, MD, PhD at (415) 443-3890 or Barbara Haller, MD, PhD at (415) 206-8588.
